

SCHOOL DENTAL VISITS

Healthy smiles, taught at school.

At Pearly, we're redefining children's dental care by focusing on prevention, not just treatment. Our friendly team comes to your child's school for a fun, low-stress visit - with patient education, gentle check-ups, and care that is bulk-billed under Medicare's **Child Dental Benefits Schedule (CDBS)** for eligible families.

What to expect on the day

Four small steps · About twenty minutes per child

1**Friendly hello**

Quiet space, kid-friendly explanation.

2**Gentle check-up**

Teeth and gums, all questions welcome.

3**A fun lesson**

Brushing, flossing, tooth-friendly food.

4**Take-home report**

Short summary of what we saw.

FREE CARE · CDBS

Who is eligible for bulk-billed care?

Your child qualifies if **all three** are true. Not sure? **Tick both boxes** on the consent form - we'll check eligibility before any appointment, and offer our school discount rate for any non-CDBS visits.

**Aged 0-17**

for at least one day this calendar year

**Eligible for Medicare**

covered under Medicare currently

**Receives a benefit payment**

you or your child receives a Services Australia payment

What you need to do

Three small steps · About 3 minutes

1**Complete the consent form**

Fill in your child's details and Medicare info, then sign.

2**Return it to the school**

Hand it to your child's class teacher or the school office.

3**We'll see you at school**

We'll let you know the visit date - and a take-home report follows.

**A NOTE FOR ANXIOUS KIDS**

We never force or pressure treatments. Pearly is one of the only mobile dental service accredited by the **Australian Dental Association in NSW** - our visits are designed to break the fear of the dentist and lay the foundation for lifelong healthy habits.
